

Cookie Policy

This Cookie Policy describes how we use cookies and similar technologies on our website. Cookies are small text files that are stored on your device when you visit our website. These cookies are used to improve your browsing experience, analyze site usage, and personalize content based on your preferences.

1. What Are Cookies?

Cookies are text files that are sent to your browser from a web server and stored on your device. When you return to the site, cookies allow the site to recognize your device and remember information about you, such as your browsing preferences or login status.

2. Types of Cookies Used

Our site uses various types of cookies, including:

Technical Cookies: These are essential for the correct functioning of the site. Without these cookies, the site may not function properly. They are used, for example, to manage the user session or to store browsing preferences.

Analytics Cookies: Used to collect information on how users interact with our site. These cookies help us improve the user experience by analyzing navigation data, such as the number of visitors and the most visited pages. The information collected by these cookies is anonymous.

Profiling Cookies: These are used to create user profiles and send personalized advertising based on the user's interests. These cookies may be set by third parties, such as our advertising partners.

Third Party Cookies: Some cookies may be set by third parties, such as social media or advertising partners. These cookies are used to share content or to track user activities on different sites.

3. Cookie Management

You can manage your cookie preferences directly in your browser. Most browsers allow you to disable cookies, but keep in mind that this may affect your browsing experience, preventing some features of the site.

Instructions for managing cookies in your browser are usually available in the browser's "Privacy" or "Security" settings. You can also configure your browser to notify you each time a cookie is sent to your device.

Here are some links that explain how to manage cookies in the main browsers:

Mozilla Firefox: [Manage cookies](#)

Safari: [Manage cookies](#)

Microsoft Edge: [Manage cookies](#)

4. Consent to the Use of Cookies

When you visit our site, you will be asked to accept the use of cookies through an information banner. By accepting, you consent to the use of cookies described in this policy. You can withdraw your consent at any time by disabling cookies through your browser settings.

5. Changes to the Cookie Policy

We reserve the right to modify this Cookie Policy at any time. Any changes will be published on this page. We encourage you to periodically review this policy to stay informed about how we use cookies.
